- Children's literacy
- Educational leadership

Michele Whitten

Senior Lecturer

School of Education

09 921 9999 x 7038 | mwhitten@aut.ac.nz

- Assessment of learning
- Secondary science education

SPECIALIST EDUCATION

Nicola Chisnall

Senior Lecturer

School of Education

09 921 9999 x 7233 | 021 478 607 | nicola.chisnall@aut.ac.nz

- Montessori teaching

SPECIALIST EDUCATION (continued)

Mary Russo

Lecturer

School of Education

09 921 9999 x 7940 | mrusso@aut.ac.nz

- Montessori teaching (primary)

Gaylene Denford-Wood

Senior Lecturer

School of Education

09 921 9999 x 7361 | gaylene.denford-wood@aut.ac.nz

- Steiner teaching
- Steiner teacher education

TERTIARY EDUCATION

Dr Richard Smith

Senior Lecturer

School of Education

09 921 9999 x 7935 | richard.smith@aut.ac.nz

- Higher education and tertiary teaching
- Sociology of education
- Leadership and management
- Educational research

Philippa Gerbic

Academic Group Leader

School of Education

09 921 9999 x 9825 | philippa.gerbic@aut.ac.nz

- Higher education and tertiary teaching
- Tertiary learners (undergraduates)
- Curriculum innovation in tertiary education
- Online learning

AEROSPACE ENGINEERING

Dr Shane Pinder

Senior Lecturer

School of Engineering

09 921 9999 x 8079 | 021 919 350 | shane.pinder@aut.ac.nz

- Flight safety systems, aircraft landing/take-off monitoring systems
- Avionics and the global positioning system
- Phased-array radio and inertial navigation systems
- Autonomous unmanned vehicles (AUV), unmanned aerial vehicles (UAV)

BIOMEDICAL ENGINEERING

Professor Ahmed Al-Jumaily

Director

Engineering Research Institute

09 921 9777 | ahmed.al-jumaily@aut.ac.nz

- Vibrations control
- System dynamics and control
- Bioengineering
- Electroactive polymers for optical applications

COMPUTER SYSTEMS

Dr John Collins

Principal Lecturer

School of Engineering

09 921 9999 x 8336 | jcollins@aut.ac.nz

- Software engineering
- Real-time computing
- Embedded systems software

COMPUTER SYSTEMS (continued)

Mark Beckerleg

Principal Lecturer

School of Engineering

09 921 9999 x 8337 | mark.beckerleg@aut.ac.nz

- Embedded digital systems
- TV broadcasting

ELECTRIC POWER SYSTEMS

David Nutt

Principal Lecturer

School of Engineering

09 921 9999 x 8677 | david.nutt@aut.ac.nz

- Electrical power systems
- Electrical machines
- Power electronics

Ross Twiname

Senior Lecturer

School of Engineering

09 921 9999 x 8138 | ross.twiname@aut.ac.nz

- Electronic devices
- Signal theory
- Power supply

David Krause

Senior Lecturer

School of Engineering

09 921 9999 x 8105 | david.krause@aut.ac.nz

- Efficient use of lighting
- PLC control of lighting systems
- Micro-programming

INDUSTRIAL CONTROL

Associate Professor David Wilson

Associate Professor
School of Engineering
09 921 9999 x 8732 | 021 046 8805 | diwilson@aut.ac.nz

- Simulation
- Optimal control
- Adaptive control

Nenad Popovich

Senior Lecturer
School of Engineering
09 921 9999 x 8759 | nenad.popovich@aut.ac.nz

- Digital control of dynamic systems
- Optimal and adaptive control systems
- Modelling and simulation of control systems
- Control systems engineering

Dr Indra Gunawan

Senior Lecturer
School of Engineering
09 921 9999 x 8075 | indra.gunawan@aut.ac.nz

- Engineering systems design
- Manufacturing and production engineering
- Quality and reliability engineering
- Applied statistics
- Probability modelling

MATERIALS ENGINEERING

Associate Professor Zhan Chen

School of Engineering
09 921 9999 x 8737 | zhan.chen@aut.ac.nz

- Materials, physical metallurgy
- Processing, welding, casting, deformation
- Welding, joining, friction stir welding

MANUFACTURING + PRODUCTION ENGINEERING

Dr Sarat Singamneni

Senior Lecturer

School of Engineering

09 921 9999 x 8002 | sarat.singamneni@aut.ac.nz

- Manufacturing science and technology
- Applied mechanics
- Numerical methods
- CAD/CAM

Cyril Bosch

Senior Lecturer

School of Engineering

09 921 9999 x 8041 | cyril.bosch@aut.ac.nz

- Manufacturing systems
- Operations management

MECHANICAL ENGINEERING

Dr Roy Nates

Principal Lecturer, Programme Leader (BE)

School of Engineering

09 921 9999 x 8102 | roy.nates@aut.ac.nz

- Mechanical engineering
- Combustion and atmospheric pollution
- Engines and fuels
- Power production
- Thermodynamic and fluid systems
- Energy

Mike Protheroe

Senior Lecturer

School of Engineering

09 921 9999 x 8143 | mike.protheroe@aut.ac.nz

- Heat transfer
- Engineering materials
- Thermodynamic processes
- Control engineering

John Prince

Programme Leader

School of Engineering

09 921 9999 x 8097 | john.prince@aut.ac.nz

- Composite materials and polymers
- Product development

PARALLEL COMPUTING + RADIO ASTRONOMY

Dr Slava Kitaev

Senior Lecturer

School of Engineering

09 921 9999 x 8158 | slava.kitaev@aut.ac.nz

- Mobile computing
- Computer systems engineering
- Multiprocessor computing
- Astrophysics

Tim Natusch

Senior Lecturer

School of Engineering

09 921 9999 x 8689 | tim.natusch@aut.ac.nz

- Data communications
- Radio frequency communication

PRODUCT DESIGN + PROCESS SIMULATION

Professor Thomas Neitzert

Head of School

School of Engineering

09 921 9258 | 021 798 931 | thomas.neitzert@aut.ac.nz

- Advanced building materials
- Energy efficiency and recycling
- Technology and engineering management
- Computer simulation of processes
- Rapid product development processes
- Mechanical engineering
- Manufacturing and production engineering

Professor Darius Singh

Head of Department, Mechanical Engineering

Director, Centre for Advanced Manufacturing Technology (CAMTEC)

09 921 9999 x 9259 | 021 450 665 | darius.singh@aut.ac.nz

- Mechanical engineering
- Manufacturing and production engineering
- Product design and development
- Computer modelling, process simulation, optimisation techniques
- Technology management
- Lean manufacturing

SIGNAL + IMAGE PROCESSING

Dr Hamid Gholam Hosseini

Senior Lecturer

School of Engineering

09 921 9999 x 8755 | hgholamh@aut.ac.nz

- Digital image and signal processing
- Embedded systems
- Biomedical engineering
- Artificial neural networks

Dr Bernard Fong

Lecturer

School of Engineering

09 921 9999 x 5345 | bernard.fong@aut.ac.nz

- Digital signal processing
- Telecommunications
- Microwave engineering
- Engineering project management

Les Williams

Senior Lecturer

School of Engineering

09 921 9999 x 8509 | les.williams@aut.ac.nz

- Analogue electronics
- Fault diagnosis

WIRELESS SENSOR NETWORK + INTELLIGENT SYSTEMS

Professor Adnan Al-Anbuky

Head of Department (Electrical and Electronic Engineering)

School of Engineering

09 921 9999 x 9836 | adnan.alanbuky@aut.ac.nz

- Intelligent systems, intelligent sensor networks
- Networked control (distributed intelligence)
- Low power wireless network controllers
- Network architecture

CHILD HEALTH

Dr Annette Dickinson

Senior Lecturer

Division of Health Care Practice

09 921 9999 x 7337 | 021 411 123 | annette.dickinson@aut.ac.nz

- Child health nursing
- Chronic illness in children
- Paediatrics

Associate Professor Janis Paterson

Co-Director, Pacific Islands Families Study

Division of Public Health and Psychosocial Studies

09 921 9999 x 7324 | 021 731 994 | janis.paterson@aut.ac.nz

- Lifespan development
- Childhood

Sonja Goedeke

Senior Lecturer

Division of Public Health and Psychosocial Studies

09 921 9999 x 7186 | sonja.goedeke@aut.ac.nz

- Developmental and abnormal psychology
- Infertility

FAMILY HEALTH

Associate Professor Jane Koziol-McLain

Division of Health Care Practice

09 921 9999 x 9670 | jane.koziol-mclain@aut.ac.nz

- Family violence
- Evidence-based practice
- Nursing research

Caroline Day

Programme Co-ordinator

Division of Public Health and Psychosocial Studies

09 921 9999 x 7195 | caroline.day@aut.ac.nz

- Sexual abuse of women
- Violence against women
